Question 4:

- There is some text on the website that is a little hard to read. Other than that it is really complete and looks like a goof base for such a travel website.
- More trips eventually
- More animations
- Better colours
- More trip options

Question 6:

- The colors, they are really unique! The green, blueish with the white really makes a nice color scheme.
- The creativeness and the personal touch
- The colour scheme
- Use of images
- The personal approach
- The variation in the trips and how they are promoted
